

Applicant(s): Michael B. ZEMEL et al.
Atty. Docket No.: 31894-202099

These applications are also related to United States Patent Application Number 10/017,568, filed December 14, 2001, which is a continuation-in-part application of U.S.S.N. 09/654,357.

IN THE SPECIFICATION

The following changes have been made to the specification:

On page 1 of the Specification, the following was added as paragraph 1:

-- This application is a continuation application of United States Patent Application Number 10/066,057, filed January 31, 2002, which is a divisional of United States Patent Application Number 09/654,357, filed September 1, 2000, which issued as United States Patent Number 6,384,087, which are, hereby, incorporated by reference in their entirety, including all figures and tables. --

On page 19 of the originally filed specification, in Table 4, row number 4, in the column titled "Dairy consumption..." the number listed should be **102.8 ± 3.6** instead of the incorrect listing of **1346 ± 113** , as set forth in the following table.

TABLE 4

Effects of dietary calcium, and dairy intake on the risk of being in the highest quartile of body fat for women^a

Quartile of calcium and dairy consumption	Calcium intake (mg/day: mean \pm SEM)	Dairy consumption (servings, month: mean \pm SEM)	Odds ratio of being in the highest body fat quartile
1	255 ± 20	14.4 ± 1.9	1.00
2	484 ± 13	38 ± 1.3	$0.75 (0.13, 4.22)$ ^b
3	773 ± 28	57.2 ± 1.0	$0.40 (0.01, 3.90)$ ^b
4	1346 ± 113	102.8 ± 3.6	$0.16 (0.03, 0.88)$ ^b

^a Model is controlled for race/ethnicity and activity level, with age and caloric intake as continuous covariates.

^b 95% Confidence interval in parenthesis

The error in Table 4 is an obvious typographical mistake as it is a repeat of the number listed in the previous column. The correct Table 4, with the correct number is in Table 4 of an article previously submitted in an information disclosure statement, Zemel et
